Special offer for Turkish students in 2010

Our goal is to welcome students from all over the world. To encourage students from those countries which have only a few students at our school (only 3% Turkish students in 2009), we are making the following offers for 2010 for students enrolling through our representatives:

There will be **no charge** for the **Accommodation Placement Fee** (normally £30.00)

We already reduce fees for students who stay for a long time (see fees list), but to further encourage long-term bookings we are making the following additional offer:

Students who enrol for **24 weeks (or more)** will get the **last 2 weeks' tuition free** of charge. (i.e. they pay for 22 weeks, but study for 24)
